

THE CAMPAIGN

GOT A SPOT? SHOW YOU SORTED IT.

WEAR THE FIX. #SpotSorted

Make the act of handling the spot more visible than the spot itself.

01 / 08 | CONCEPT VISUAL

*Use only locally approved claim language and substantiation.

THE PRODUCT FAMILY

WIN THE SPOT. OWN THE ROUTINE.

■99 → ■149 → ■449 → ■299

The patch earns belief; the routine earns repeat and lifetime value.

THE DESIGN SYSTEM

CLINICAL CORE, CULTURAL SKIN.

INVISIBLE CORE + WEAR THE FIX EDITIONS

Fun changes only the visual layer after adhesion and performance validation.

THE PHARMACY

ASK FOR YOUR FIRST FIX.

PHARMACIST-SERVED

Three questions, one right first step, referral when the case is uncertain.

THE PARENT

A FIRST-PIMPLE GUIDE, NOT A 10-STEP ROUTINE.

MOTHER-APPROVED

Exact use guidance and escalation cues make the first purchase easier to permit.

THE HCP

THE FIRST CONSULT BUILDS THE FIRST PREFERENCE.

DERM-LED

Teen-language guidance, parent reassurance and a clear referral boundary.

SKIN SCHOOL

EDUCATION WITHOUT A SALES PITCH.

MYTH → RIGHT ACTION → ESCALATION

No public diagnosis, no data capture and no direct product selling in school.

07 / 08 | CONCEPT VISUAL

THE ACQUISITION LOOP

6-HOUR DELIVERY. 6-HOUR PROOF.*

CONTEXT → SEARCH →  99 TRIAL → VISIBLE USE

Context finds the need; quick access closes trial; visible use creates discovery.
